Head towards Parc Honoré de Balzac island, located in the heart of the city. A place to relax and connect with nature, here you can take in the view of the Cher and the vines planted in 2015.

Continue along the banks of the Cher river following the Coeur de France à vélo – Val de Cher route. Take a look on the other bank: you will see the towns of Vêretz and Larçay.

Go past the Château de la Bourdaisière and its extensive grounds, then cycle through the vineyards to reach the centre of Montlouis.

From Montlouis, follow the Loire à Vélo route, passing through the Île de la Métairie, a sensitive natural area. Take in the view of Rochecorbon and the arrival into Tours with Cathédrale Saint-Gatien in the distance.
