SAINT-CYR-SUR-LOIRE, VALLÉE DE LA CHOISILLE

Get away from it all on an 8 km walk through town and countryside.

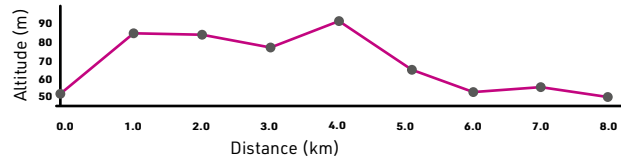

Parc de la Perraudière

Designed in the 19th century and covering five hectares, the Parc de la Perraudière is the town's largest park. Take in a breathtaking view over the valley of the river: the Loire.

Continue through the narrow streets of Saint-Cyr-sur-Loire to the Vallée de la Choisille which will win you over with its peaceful paths and bourgeois houses. This tranquil, sensitive natural area is home to an exceptional biodiversity.

The Quai des Maisons Blanches is the starting and finishing point of the ride. Up until the 19th century, all of the economic activity of the river was concentrated in the Maisons Blanches port area.
